April 1, 2021

From the Principal's Office: (doucetr@lrsd.ab.ca)

Tomorrow begins Spring Break. Hopefully, this is a time for everyone to rest and recharge. I know that I am looking forward to Easter and spending some time with my wife, Leonie. As a reminder, no school work needs to be done over the break. Please encourage the kids to turn off school for the duration of the break.

When we return, we are planning a Lockdown Drill. It is currently scheduled for April 13. Drills like this are an essential aspect of emergency preparedness. We typically hold two such drills per year.

Below is some information about Faces registration. While registration opened earlier this week and had some glitches, registration continues.

Also, AB Daley is beginning an early learning program for children aged 3-4. See the information and links below for further details.

Happy Easter, and enjoy the break.

Roger
