

Jordan Wild Memorial Scholarship Fund

Jordan Wild grew up west of Nanton where he loved to jump on hay bales, play in the mud and later in life, drive things that went fast and were loud. He started grade 3 in Nanton at AB Daley, and would later attend JT Foster, where he would graduate with lifelong friends he had made along the way. He went on to become a Journeyman Welder and spent many years working on the pipelines in Northern Alberta. Jordan was a wonderful young man who was loved by all who met him.

In Jordan's honour, his family will be giving an annual \$1,000 Trade scholarship.

This scholarship is for students who have graduated from grade 12 and are pursuing a career in the trades. The student who receives this scholarship will not necessarily be the best student with the best grades, but rather the student with the most passion for his or her craft and life in general.

Criteria:

- Must graduate
- Must be going into a trades program
- Money will be given upon proof of enrollment in any trades program
- Have up to a year after high school graduation to enroll in a trades program
- After completion of first year of apprenticeship, if grades are above 90%, can apply for a second and third year scholarship.
- Family of Jordan Wild will determine the winner
- Submit a brief bio on yourself and what your postsecondary plans are to:

Dawn Wild
