

Stavely Education Foundation Scholarship Application

The Stavely Education Foundation was formed in 1996. The goals of the education trust are two fold:

- 1) Manage donations and bequests to develop a legacy directed to education projects and scholarships.
- 2) To assist in the delivery of quality, accessible public education in Stavely.

The Stavely Education Foundation Scholarship Program began in 2006. We are proud to announce its continuation and would encourage students who have attended Stavely Schools to apply.

The Eligibility Criteria are the following:

- 1) The candidate must have attended Stavely Schools for a minimum of four years.
- 2) The candidate will submit a paragraph sharing a favorite memory of Stavely Schools.
- 3) The candidate will ensure that an official confirmation of enrollment/registration from a recognized post secondary institution dated no **earlier** than September 30th of the scholarship year is submitted to the decision-making body (Stavely Education Foundation) along with the completed application and required paragraph before the scholarship deadline. Any programs that begin after September 30th of the scholarship year may be considered. Please contact a Stavely Education Foundation member for further application information.
- 4) First time applicants that meet the above criteria will be awarded scholarships. If there are more than ten first time applicants per year, the scholarships will be dispersed by a lottery system. Any remaining applications from previous recipients will be drawn by a lottery to fill the annual maximum dispersal of ten scholarships.
- 5) Any applicant is eligible to receive two \$1000.00 scholarships in their lifetime.
