Mr. Porteous

Ladies and gentleman, please enjoy your well earned winter break. Enjoy the time off, the time you have to spend with your loved ones both near and far. If you are traveling, stay safe and drive carefully.

Have a Merry Christmas and a Happy New Year.

Mrs. Spencer

We have had a great time building gingerbread houses over the last couple of weeks! Grade 10s earned a credit for the project :)

As we head into the holidays, foods 10 students will be moving into their last credit earning opportunity. After the break we will only have 2 weeks left to complete so it will be a rigorous race to the finish as the course ends on January 19.

Junior high foods students will continue to be in the kitchen while also completing a few projects as we near the end of the course on January 30.

Have a great Christmas break!

Mr. MacDonald

Leader In Me 7

This week students have been utilizing their time in class to wrap up work that they would like to finish before the break, and advancing toward their WIGs.

Please ask your child about their Leadership Portfolios! I would encourage students to record their academic goals and evidence of their goals out of school!

Have a wonderful Christmas Break, Everyone!
