Here are the important dates to finish out the course <ul style="list-style-type: none"> Current Events Assignment <ul style="list-style-type: none"> due Monday June 10th Diploma Part A <ul style="list-style-type: none"> Wednesday, June 12th Unit 3 Final Exam <ul style="list-style-type: none"> Friday, June 14th Diploma Part B <ul style="list-style-type: none"> Wednesday, June 19th Deadline for ALL Assignments <ul style="list-style-type: none"> Wednesday June 19th, 11:59PM

Social 20

- This week students finished out our content for the year
- If students would like to rework any assignments for a regrade, please do this sooner than later!
 - Unit 3 Essay = June 10th-12th in class
 - Unit 3 Exam = Thursday, June 13th
 - Deadline for ALL Assignments = Tuesday, June 18th, 11:59PM
 - Final Exam = Thursday, June 20th

Mr. Henderson

Science:

Grade 9 - We are going over PAT prep material and PAT practice exams.

Grade 8 - We have completed section 2 of Mix and Flow of Matter and will be moving onto our last section before starting our final review.

Grade 7 - We have completed section 2 of Planet Earth. We will be moving onto sections 3 and 4 before starting our final review.

Leather:

Jr. High - Students are continuing to work on wrapping up their last projects.

Sr. High - Students are continuing to work on wrapping up their last projects.

Mechanics - Students are taking apart, cleaning, and putting back together trailer bearings.

Health 8 - We are entering our last activity where students have chosen activities that we will participate in that allows us to improve our mental health while being active.

Health 9 - During this week we will be using this time as a prep where students can prepare for finals and PAT's or complete year end homework from other classes.

Ms. Howard

Math 7: We are nearing the end of our final unit on Statistics and Probability and will then begin reviewing for the final exam.

Unit Test: Thursday, June 13

Final Exam: Monday, June 24

Math 8: We will be wrapping up our algebra unit and then touching on Probability and Data Representations outcomes before reviewing for the final.

Unit Test: Wednesday, June 12

Final Exam: Thursday, June 20

Math 20-1: We will be wrapping up our final unit on Linear and Quadratic Systems and Inequalities and then reviewing for the final exam.

Checkup: Monday, June 10

Unit Test: Wednesday, June 12

Final Exam: Wednesday, June 19

Ms. MacLachlan

ELA 9 - We have spent the week working on some reading comprehension prep, and will continue that until Part B of our PAT on Wednesday, June 12th.

ELA 10 - We have wrapped up our novel study of *To Kill a Mockingbird* with a final essay. We have moved on to a quick modern play and film study unit, centered thematically on identity.

Finals:

Part A (Written): June 17-18th in class

Part B (Reading): June 20th

ELA 20-1 - We are currently finishing up our unit on *The Crucible* with a mock trial, which will be followed by prep for finals.

Finals:

Part A (Written): June 17-18th in class

Part B (Reading): June 25th

Mrs. McNutt

Last day to hand in missing work or rewrite an assessment for Mrs. McNutt is June 14.

FINAL EXAM STUDY Resource for grades 7-12:
Exambank.com:

Username: lrstdjtf
Password: stretch

MATH 9:

Students are engaging in a year-end summary. Students are practicing the PAT protocols and questions using previous PAT released items. Study resources are available in Google Classroom. Web-based study sites:

[Solaro App](#) - use LRSD credentials to log in
[Quest A+](#) no username or password required

PAT Part A - NO Calculator - Thursday, June 13

PAT Part B - Tuesday, June 18

MATH 10C

Students have started the last chapter on Systems of Equations. Students will learn how to solve two equations in two variables algebraically and graphically

Final exam study materials are available on Google Classroom and print copies were distributed to students.

Quiz: Friday, June 7 - Solve a system of equations
Quiz: Tuesday, June 11 - Applications of systems of equations

Exam: Thursday, June 13 - Chapter 10 Systems of Linear Equations Exam

FINAL: Monday, June 24

Math 10-3 & 10-4

The final chapter is trigonometry where students will utilize Pythagorean Theorem, sine, cosine and tangent to find the missing side and angle lengths of right angle triangles.

Final exam study materials are available on Google Classroom and print copies were distributed to students.

Exam: Thursday, June 13 - Chapter 7 Trigonometry
Year End Project - Monday, June 17

FINAL: Monday, June 24

Math 20-2

Their final chapter is Quadratic Equations. Students will learn how to determine values and equations given specific information.

Final exam study materials are available on Google Classroom and print copies have been distributed to students.

Quiz: Tuesday, June 11 - Quadratic Formula and Problem Solving

Portfolio: Friday, June 14 - Chapter 8

Exam: Friday June 14 - Chapter 8 Quadratic Equations Exam

FINAL - Wednesday, June 19

Math 20-3 & 20-4

Students have been learning about simple and compound interest, differences in bank accounts,

	<p>credit cards, loans, lines of credit and investments. Their final chapter is learning how to put all of this information to use in a budget. Exam: Thursday, June 13 - Chapter 7 Personal Budgets Project: Monday, June 17 Financial Project FINAL - Wednesday, June 19</p>
<p>Mr. Porteous</p> 	<p>ELA 8 - Wrapping up our film study and then engaging in year end review.</p> <p>Social 7 - completing our unit on the Growth in the West and then engaging in year end review.</p> <p>Social 8 - Looking at the Meiji Restoration and then engaging in year end review.</p> <p>Social 9 - Examining the link between Social Programs and Taxation and then engaging in year end review.</p>
<p>Mrs. Spencer</p> 	<p><u>ELA 7:</u></p> <p>Our in-class final exam will be on <i>Wednesday June 12</i>. Our last class will be Monday June 17.</p> <p>It will cover topics such as, figurative language and various grammar skills.</p> <p>It is worth 10% of the final grade.</p>
<p>Mr. MacDonald</p> 	<p><u>LIM 7</u></p> <p>With the busy season of exams coming up for our grade 7s, we have been spending some time on making sure they are getting the time they need to study for their core topics, thereby supporting them in their overall academic goals. This is how our time will be spent for the remainder of the school year, with one more update/data drop into their online portfolios.</p> <p><u>General Psychology 20</u></p> <p>The final project students will be completing has to do with careers in the field of psychology. If students choose to take psychology in post secondary, a psychology degree opens doors to several fields - especially ones where you would work with people.</p> <p>There will be no final exam for this course, as students will be assessed on the work they've submitted throughout the year.</p>

Relay for Life

Student Leadership

Thank you to our guest speakers, sponsors, volunteers, participants, and those who donated to the Canadian Cancer Society. We surpassed our \$10,000 goal.

Bev McNutt

Bev McNutt will be retiring at the end of this school year. We wish her all the best in this next chapter in her life. She will be missed by many!

Bev's Teaching Journey:

Bev embarked on her educational journey at Briercrest Bible College in 1982, where she excelled both academically and athletically, graduating with a Bachelor of Religious Education in Christian Education. Despite not initially intending to become a teacher, Bev became the director of a daycare upon graduation, eventually transitioning to pursue a Bachelor of Education at the University of Lethbridge while raising her daughter as a single mom. After graduating in 1992, she began her teaching career in Hythe, a small town north of Grande Prairie, where she made significant contributions to the education of students while also coaching volleyball.

Transitioning to Pincher Creek in 2000, Bev continued to excel in her teaching role, eventually taking on the position of Assistant Principal at Livingstone School, where she facilitated distance education programs and earned recognition for her outstanding contributions to student success.

Bev pursued a Masters of Education specializing in Education Leadership while juggling multiple roles at Livingstone School. Her journey took a significant turn when she assumed the role of principal at J.T. Foster, marking a pivotal moment in her career where she gained invaluable insights into educational leadership.

Relocating to Nanton and later to Claresholm, Bev's administrative roles expanded as she navigated through various challenges, including school modernizations and leadership transitions. Despite the complexities, she remained resilient and dedicated to fostering a supportive learning environment for both students and staff.

While retiring marks a shift in gears, she remains committed to supporting education through substitute teaching while cherishing precious moments with her family. Bev's unwavering passion for teaching and dedication to student success have left an indelible mark on the educational institutions she served, ensuring a lasting legacy of excellence and inspiration.

Jason Porteous

Please join us in congratulating Mr. Jason Porteous as he has accepted the role of Vice Principal for County Central High School in Vulcan!

Mr. Porteous has been at JTF over the past 9 years, teaching both jr. high and sr. high. He has a wealth of experience in both teaching and as an administrator. He has coached basketball over the years, yes, the tallest guy in our school coached basketball. 🤔🏀🏃

He obtained his Bachelor of Education from the University of Alberta and later, earning a graduate diploma in Curriculum, Teaching and Learning from the University of Calgary, as well as his Master of Education, specializing in Curriculum, Teaching and Learning.

He has been passionate about fostering our knowledge and understanding about the First Nations, Metis and Inuit.

He is a family man, and doting grandfather, as him and his wife, Annette are raising their grandson.

He has a fantastic sense of humor and is always making the students and staff laugh. He will definitely be missed, but we wish him all the best on this next chapter! All the best, Mr. Porteous!
